

Cutter 08 / **Year 2009**

Introduction.

Cutter 08 is the brand new marker coming out from the **Grog** lab.

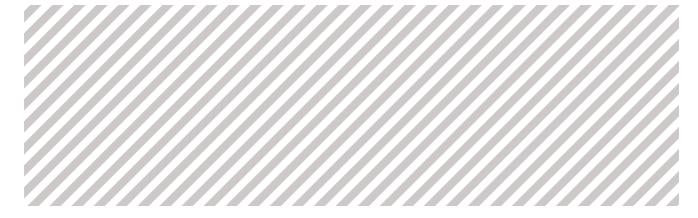

This marker carries a soft acrylic yellow tip, which is perfect for the typical ink flow requested by writers interested in handstyles.

Cutter 08 contains enamel paint and marks on anything. The usage is suggested both on internal and external surfaces.

Cutter 08 comes out in 11 brilliant colours, plus two classic metallic shades.
